ACCELERATED URBAN WATER SUPPLY SCHEME
Rana Shri Kashi Ram;Thummar Shri Virjibhai

Will the Minister of URBAN DEVELOPMENT be pleased to state:

(a) the names of the cities in Gujarat where the Accelerated Urban Water Supply Scheme has been implemented;

(b) whether the progress of work related to the said scheme in these cities is very slow;

(c) if so, the efforts made by the Government to accelerate the pace of work of the said scheme; and

(d) the success achieved as a result of the said efforts?

Answer

MINISTER OF URBAN DEVELOPMENT AND CULTURE (SHRI S. JAIPAL REDDY)

(a): The names of the towns in Gujarat where the AUWSP has been implemented are given in the Annexure.

(b): The schedule for implementation of the projects under AUWSP is indicated in respective detailed project reports (DPRs). Depending upon the size and type of the projects, two to three years are usually required for implementation of the projects. As per the information provided by the implementation agency, all AUWSP projects sanctioned upto 2001-02 have been completed. Out of the 22 schemes sanctioned in 2002-03, 13 have been completed and 9 projects are in advanced stage of execution. 4 schemes have been sanctioned in 2003-04 out of which 3 are in advanced stage of execution. 19 schemes have been sanctioned in 2004-05 out of which tender process has been completed for 6 schemes and 13 are at advanced stage of tender process. The overall progress of work is satisfactory in implementing the scheme.

(c): The progress of implementation of the scheme is monitored through review meetings and field visits. Nodal officers have been appointed for each State to review the progress of the projects and the pace of implementation. The last review meeting by Secretary (UD) was held on 20.10.2005.

(d): Out of 51 projects sanctioned upto 31.3.2004, 39 projects have been completed (76% completed). Of the remaining 12 schemes sanctioned upto 31.3.2004, the weighted average rate of progress of work is 73%.
